

Beach Family Doctors Medical Group

Welcome to our practice!

Office Hours / After Hours

8:30am-5:00pm Monday through Friday; Closed for lunch; Closed all major holidays.

For urgent medical issues after regular office hours that can't wait until the next business day, please call our office and leave a message with our service so they can page the doctor. For all other issues, please call us during our regular office hours.

Same Day/ Urgent Appointments

We understand that sometimes medical problems come up and you would like to be evaluated sooner than the next available appointment. Please let us know as soon as you can and we will try to accommodate you.

Emergencies

Call 911 for medical emergencies.

Medication Refills

We don't want you to run out of your medications. We recommend that you notify the pharmacist to send us a "refill request" when you are picking up your last refill. If you prefer to call us, please do so during our regular office hours and allow 3-4 business days for us to refill your medications.

Forms

Please schedule an appointment if you have any forms our doctors need to fill out. DMV physicals with forms will be \$50.00 and work/school physicals with forms are \$25.00.

Medical Care

In order for us to provide the best possible care for you, we will need your cooperation in keeping your scheduled appointments, making follow up appointments if required, scheduling annual physical exams, complete tests ordered for you and take medications prescribed to you if any.

Canceling Appointments and No-Shows

We ask that you notify our office 24 hours in advance if you are unable to come in for your scheduled appointment. This gives us a chance to schedule a patient at that time. If for any reason you are unable to give us 24 hours' notice, please call our office as soon as you can.

An accumulation of 3 missed appointments may result in a notice of non-compliance and denial of rescheduling appt.

Medical Records

If you are being treated by a specialist or have medical records with another doctor, we would like to send them a request for medical records. Please complete the medical records request in this package or ask the front office.

Communication

We believe in having good communication between our staff and our patients. We encourage you to express any question or concerns so we may better serve you. We ask you treat the staff in a polite manner for they are here to help.

Treatment without an Office Visit

If you are treated over the phone, there may be a \$25.00 fee for services rendered without an office visit.

Co-pays and Deductibles/New Patients/Returned Checks

Co-pays and deductibles are due at time of service. We will only accept cash or credit for new patient first time visits. There will be a \$25.00 service charge for returned checks.

Emergent and Urgent Care Policies

We have made a commitment to quickly respond to all urgent calls from patients. To meet urgent needs there are doctors in the office from 8:30 to 5:00 most days. We are capable of handling almost all of your urgent needs in our office and for this reason do not refer to urgent care centers during office hours.

Emergency Room visits are intended for conditions (possible heart attack, severe breathing problems and major injuries) that pose an immediate threat to your health. Injuries such as sprained ankles, possible fractures, fevers, diarrhea and skin lacerations are not usually considered emergent. Hoag Hospital is the site for emergency care for all of our patients. Only in circumstances where minutes may make the difference would it be appropriate to go to another local hospital.

If you have an urgent need after hours, call the office and follow the recorded instructions. Our service will take a message and contact the on-call doctor with your information so they can respond to your call in a timely manner. The doctor will ask appropriate questions and give advice based upon the circumstances.

This advice may include:

- Scheduling an appointment for the next business day
- Prescribing medication over the phone
- Giving advice over the phone
- Referral to an Urgent Care Facility
- Referral to an Emergency Room (usually Hoag Hospital)

It is extremely important for our HMO patients that whenever possible that a call be made to us prior to seeking care at an Emergency Room or Urgent Care facility. Failure to call for advice may result in the patient being responsible for all charges associated with the visit.

I have read and understand this policy
